9	San Giorgio	6		6			12
	Total	9		8			17

Smallpox.—Week ended May 9. Cases: Cislago (Milan), 1; Arezzo, 1; Bussi (Aquila), 1; Vetralla, 2; Civita Castellana (Rome), 4; Andria, 11; Bari, 2; Volturino, 3; Troia (Foggia), 8; Barile (Potenza), 1; Polistena, 2; Rizziconi, 2; Gerace Superiore (Reggio Calabria), 1.

JAPAN.

Report from Yokohama—Inspection and fumigation of vessels—Cholera in Tokyo-fu—Smallpox in Hiroshima.

Passed Assistant Surgeon Cumming reports, May 6:

During the week ended May 2 bills of health were issued to 8 steamships, having an aggregate personnel of 883 members of crews, 375 saloon and 750 steerage passengers. Of these vessels, 2 were bound for San Francisco, 2 for Manila, 3 for Seattle, and 1 for Gaviota, Cal.

The members of the crew of the oil-tank steamship *Soyo Maru* bound for Gaviota were bathed and vaccinated. Their effects were disinfected and the forecastle of the vessel was cleaned. The *Den of Airlie* and *Kumano Maru* for Manila were fumigated on account of previous ports visited and crew of former (except 8) vaccinated.

The health of this community is very good, and the spring housecleaning by the authorities continues. One case of cholera is reported to-day in Gumma ken, just north of Tokyo-fu, and one case of smallpox in Hiroshima.

Emigrants recommended for rejection.

Number of emigrants per steamship *China* recommended May 6 for rejection: For Honolulu, 2; advised to wait, 10.

Report from Nagasaki—Emigrants recommended for rejection.

Sanitary Inspector Bowie reports:

April 29. Number of emigrants per steamship *China* recommended for rejection, 6.

MEXICO.

Report from Coatzacoalcas—Inspection of vessels.

Acting Assistant Surgeon Thompson reports, May 21:

Week ended May 20. Inspected two steamships bound for the United States.

No case of any quarantinable disease was reported during the week.

Report from Salina Cruz—Inspection and fumigation of vessel—Sanitary conditions excellent.

Acting Assistant Surgeon McPherson reports, May 16:

During the period May 1 to 15, inclusive, one steamship cleared from this port for the United States, the steamship *Columbian*, which left May 12 for San Diego, Cal., and was fumigated throughout while in the roadstead outside the harbor.

The general health in Salina Cruz and district continues excellent.
